

NOTICE
BRADY'S REOPENING
May 11, 2021

To all of our valued dining patrons,

Out of darkness and into the light, Brady's will emerge from its Covid-19 hibernation on Tuesday, May 11th.

Please be patient with us in the coming weeks, as we know you are just as excited as we are. We know that tables will be hard to come by given the amount of inquiries we have received about our reopening. **Reservations are required** and can be made by calling the restaurant or via resy.com and will be available on a first come first serve basis. We will be seating in our main dining room, our outdoor patio and our main bar only at this time. All socially distance guidelines are being followed including a strict 90 minute table limit. **Masks are mandatory for all patrons when not eating or drinking.**

We have been feverishly readying Brady's and our staff for your arrival for weeks now. Our team has been **ServSafe Certified in Covid-19 protocols** and many safety measures have been installed throughout the establishment. For those of you still uncertain about venturing out, takeout is always available as well!

We look forward to welcoming you back!

Bill & Kim Brady
